## Overview

**BETA Healthcare Group** (BETA) is the largest professional liability insurer of hospitals on the West Coast and provides liability and workers' compensation coverages to protect hospitals, medical groups, clinics, hospices, physicians, and other healthcare workers. As a risk management joint powers authority (JPA) governed by its member healthcare organizations, BETA is a mission-driven organization with people pledged to maximizing our members' ability to provide care while reducing harm to patients and protecting employees.

## Comprehensive Products and Services

We offer flexible, tailored solutions for members' unique insurance needs from first-dollar comprehensive coverage ranging from professional liability to workers' compensation, excess coverage (for those who decide to self-insure), and alternative risk and insurance solutions.

Over 50% of our member hospitals have 15+ years with BETA, and member retention is near 100% year after year. Our organizational structure, commitment to stable and reasonable rates, and history of strong financial strength have led to BETA members receiving dividend credits for 27 consecutive years.

## Partnering to Protect Patients and Employees

Our industry-leading risk programs go beyond what you can expect from other carriers in the market. We are committed to helping our members deliver the best patient care and establish safe workplace environments, which in turn drives down claims and reduces overall cost.

BETA members can participate in a host of educational opportunities, initiatives, and collaborative programs that help them mitigate risk and make their facilities safer — and certain initiatives provide incentive premium credits.

## Claims Management Philosophy

At BETA Healthcare Group, we believe in the ethical, efficient and economical resolution of claims through early intervention, quality investigation and proactive management. Our hands-on approach to healthcare claims management leads to timely claims handling, reduces costs, and ensures the highest level of service, contributing to one of the best claims performance records in the industry.
